3.1) Is there anything else you would like to add about this instructor or course?

- Great teacher, great course. Kept things entertaining and had meaningful assignments.
- Professor Lesenyie provides a lot of feedback, but he could be more clear with how one can achieve an "A." I have no doubt that Professor Lesenyie will be a great educator because he carries himself with poise in a very interesting topic: California Politics.

I would also like to say that Professor Lesenyie is very engaged when it comes to learning more about students' personal lives. Furthermore, he is willing to go above and beyond when it comes to attending outside-of-campus events. I was very happy when Professor Lesenyie made time on a Saturday, the start of Thanksgiving break, in order to come to a community event regarding the Vietnamese-American community, that I was the master of ceremonies for. Keep in mind, Professor Lesenyie is a young dad and commutes from the East SF Bay area, so seeing him attend a weekend event in the South Bay is going above and beyond!!

- keep it up!
